

Cristofer Herrera-Mejia

Atlanta, GA 30354 • cristoferh415@gmail.com • 404-632-5442

EDUCATION

Georgia State University

Bachelor of Science in Computer Science

Dean's List: 2023 – 2025

Atlanta, GA

December 2026

RELEVANT EXPERIENCE

Graphics Packaging International

Human Resources Intern

Atlanta, GA

September 2021 – April 2022

- Designed and maintained an Excel database to streamline employee information of the current location.
- Evaluated 4+ resumes per month to assist with recruitment and hiring decisions of future employees and shadow the interview process.
- Created a tracking sheet for Leadership and President Award nominations, which held information of 100+ employees from North America, Europe, and Oceania. Managed the tracking sheet by removing unqualified or previously awarded employees and helping choice nominees that exceeded expectations.

MARTA

Diversity & Inclusion Intern

Atlanta, GA

September 2019 – March 2020

- Researched and logged prospective companies that fit into MARTA's diversity initiatives to create partnerships for future events.
- Developed Excel dashboards to visualize event performance, including funds raised, appearance frequency, and success rates; formatted findings into a PowerPoint presentation for MARTA leadership.

ADDITIONAL EXPERIENCE

Rensselaer Polytechnic Institute

Federal Work Study Student

Troy, NY

September 2022 – April 2023

- Organized library materials (Books, Media, and Recordings) using the Library of Congress Classification System.
- Assisted 50+ students and faculty a week to locate academic resources around the library and checkout said resources.
- Managed front desk operations, including book checkouts and inventory tracking.

PROJECT EXPERIENCE

Employee Management System

Atlanta, GA

June 2025 – July 2025

- Developed a MySQL-linked employee database using DBeaver and coded administrative functions.
- Enabled CRUD operations (create, read, update, delete) and custom report generation.
- Implemented search filters and data manipulation tools for administrators.

CAMPUS & COMMUNITY INVOLVEMENT

Stars Ignite GSU

May 2024 – Present

- Participating in events held on campus and connecting with fellow classmates by aiding underrepresented students in the field of computing.
- Setting up booths for special events on campus (club fair, Demo Day, and challenges).
